

The Brandon Paddling Club currently offers two levels of membership:

Supporting Member

Supporting Members are recognized members of the Brandon Paddling Club, who receive a discount on lessons, rentals, and camps. They're also invited to volunteer at the club's promotional events. If desired, Supporting Members can receive notification of the club's progress and activity throughout the summer.

Active Member

Active Members are paddlers who routinely kayak every week with the Brandon Paddling Club. Upon completion of four introductory lessons to their coaches satisfaction, members will be granted access to the boathouse. Active members also receive:

- Continuous coaching throughout the season
- Free attendance at summer camps
- Free participation in club events
- Official Brandon Paddling Club apparel
- Discounted membership next season
- Exclusive invitation to the members-only Dragonboat team

As part of this summer's membership drive, Active Members are encouraged to invite their friends. If any friend decides the Brandon Paddling Club is for them, both the Active Member and their friend will have their membership fee reduced by 50% in the form of a discount or rebate.
