TEAM REGISTRATION INFORMATION

Register early to avoid disappointment. The 2010 Wheat City Dragon Boat Races in support of Waves of Hope are filling up fast and space is limited. The Registration Fee includes two practice sessions (scheduled during the three weeks prior to the event) which will be available in both Brandon and Winnipeg, and a minimum of three races. The three races will include two heats, and one playoff race.

The Wheat City Dragon Boat Races will be in support of Waves of Hope. Waves of Hope is a registered charitable organization that raises awareness and funds for breast cancer through Dragon Boat. Pledges collected will go directly to Waves of Hope. Prizes will be awarded to individual paddlers and teams who collect the most money. Please contact the Dragon Boat Staff for more information on the pledge collection or if you would like a member of the staff to help you organize your participation.

When submitting your application, please include the Team Application Form and your complete payment. When payment and the application form have been submitted you will be contacted and practices will be booked (on a first come first serve basis), and a complete team registration package will be issued to the identified team captain.

A registered team member must be no less than fourteen (14) years of age in the year of competition (unless otherwise approved by race management) and no team member under the age of eighteen (18) will be allowed to practice or race without written consent and a waiver signed by a parent or legal guardian. Each team member is responsible for his/her own safety at all times while engaging in activities related to practicing and racing in Dragon Boats. Each team member should be able to swim 100 metres while wearing a personal floatation device (PFD) or they must wear a flagged PFD during all practices and races.

The Information submitted on this form may be used to contact you with information regarding future programs and services provided by the MPA and our sponsors.
